Reprint Edition of

Conquistadoras: Mujeres heroicas de la conquista de América (Spanish Edition)

By best-selling author

Carlos B. Vega, Ph.D.

Throughout history women distinguished themselves in many ways but most historians turned a blind eye and mostly wrote about the deeds and accomplishments of men. However, in this book, we have taken a dramatic turn and written about several dozen women who played a significant role in the conquest of America and greatly contributed to the birth of a new civilization. It is a fascinating, engrossing and eye-opening read you should definitely enjoy.

ISBN: 9781596412613. Paperback, (2003), repr. 2012, Index, 251 pp. #J-V1261 \$28.50

Some Reviews:

“Carlos Vega ha contribuido un importante estudio ampliamente documentado de las vidas y hazañas de cincuenta mujeres que influyeron en el acontecer histórico de la conquista española de las Américas.”

Dr. José P. Sánchez, *Colonial Latin American Historical Review*/University of New Mexico

“El proyecto de Carlos Vega en *Conquistadoras* expande nuestro entendimiento y valoración del rol que tuvieron las mujeres en el des-

cubrimiento, conquista y colonización de Hispanoamérica.”

Sandra M. Pérez-Linggi,
Letras Femeninas/California State University

“Su lectura es ampliamente aprovechable para quienes quieren incursionar en este apasionante reto que es descubrir—quitar el velo—la otra cara de la historia trasatlántica.”

Ana María Peppino Barale,
Tiempo y Escritura/Universidad Autónoma Metropolitana, Mexico

“Women have basically been ignored through history but in this book we get a chance to read about women who stood up for themselves and for what they believed.”

Magna M. Díaz, *Reforma*,
American Library Association
